NOTICE OF A SPECIAL MEETING
OF THE BOARD OF DIRECTORS**

August 24, 2020

TO WHOM IT MAY CONCERN:

Governmental entities are required to comply with the Open Meetings Act, Texas Government Code Chapter 551, when convening a meeting of their governing body. On March 16, 2020, Governor Abbott temporarily suspended certain open meetings requirements imposed by the Open Meetings Act to slow the spread of COVID-19.

COVID-19, also called coronavirus, provides a unique concern in that gathering members of the public and/or entity staff in a physical setting might constitute a public health risk. The Open Meetings Act does not conceptualize an instance where a governing body meeting might be completely virtual to avoid further spread of contagion. However, Governor Abbott's suspension of certain requirements of the Open Meetings Act permits open meetings to occur in a fully virtual setting (e.g. telephonic or videoconference meeting), provided certain requirements are met. These suspensions are described below.

The Texas Department of Information Resources recommends governing bodies convene in a virtual forum (e.g. webinar, teleconference) to avoid public health risks to employees, members of the governing body, and the public.

A webinar or teleconference of an open meeting provides a fully-virtual forum in which:

- the public, entity employees, and members of the governing body can engage in self-isolation or social distancing as recommended by the Centers for Disease Control and the State of Texas;
- the public can hear open deliberations by an entity's governing body; and
- the public can interact with an entity's governing body during public comment

A special meeting of the Ector County Hospital District Board of Directors is scheduled for Thursday, August 27, 2020 at 10:00 a.m. in the Board Room of Medical Center Hospital.

Anyone interested in listening to the meeting and/or providing public comment may do so by calling 832-791-2356 and using access code 103 328 223#.

An agenda for the meeting is attached.
